

PREPARE TO BE FLOORED.

Twilight River - White Oak Traditional

Brushed White Oak in Vintage Brown

Deep antique browns and greys provide a timeless white oak plank. Traditional white oak has just the right amount of character and charm. White oak is usually straight grained, but can often be irregular, or cross grained. White oak has been widely used throughout history as a cornerstone wood for most any application and is the wood of choice for barrel cooperage for distilleries throughout history.
