

PREPARE TO BE FLOORED.

Hickory Traditional

A dense durable hardwood with varying light to dark color tones.

The sapwood is very pale and wide, with dark reddish-brown sapwood. Usually straight grained, but occasionally wavy or irregular, hickory has a somewhat coarse texture. Hickory is a very strong wood that, if treated well, will last a lifetime with minimal wear.

Flooring/Paneling

Great on walls and ceilings, perfect for floors!

Random Widths	3"-6", 5"-7"
Specified Widths	5"
Thickness	3/4", 5/8", or 1/2"
Lengths	2-12' Random or Specified Lengths
