

# PREPARE TO BE FLOORED.

## Nutmeg - Hickory

Hickory with a Deep, Dark Finish.

Twice the durability of Walnut at half the cost, Nutmeg's rich layers of its smooth, spice-toned Walnut finish gives this flooring hues of tobacco, citrus, and cloves found in an India bazaar market. Hickory is a very strong wood that, if treated well, will last a lifetime with minimal wear.

### Flooring/Paneling

Great on walls and ceilings, perfect for floors!
