

PREPARE TO BE FLOORED.

Spice – Antique Elm

Sugar, spice and everything nice.

Sugar, spice and everything nice. Maybe its nutmeg but, with a touch of cinnamon. Rich brown hues with just a hint of grey undertone accent the long straight grain of the elm, also known for its attractive figure. Now, true American elm, just as chestnut, can only be reclaimed from old barns and rural structures, making it a rare and unique wood for any application.
